## At least Kev did his Brit...

**MESSAGE to Kevin Federline AKA K-Fed AKA the soon to be ex-Mr Britney Spears: Don't get down, sir.**

Just remember this: Even though she's dumped you... even though her mum and everyone else in the world is calling you a gold-digger... even though your rap record was really, really, really bad and you're a global joke... you've still done it with Britney Spears.

Respect will always be due. If I was Kevin I'd stick that on a T-shirt. BRITNEY SPEARS in big letters on the front. And on the back: BEEN THERE, DONE THAT, GOT THE T-SHIRT.

Apparently it was Britney's mum who told her to ditch K-Fed after watching the couple blow £26million in two years of

marriage. What can a married couple spend £26m on? Just how expensive is her nearest branch of Ikea?

But the way that Kevin was ditched was cold. By text. What did it say? U R CHUKD. C U L8ER 4 PAPWRK. LOL :-). Mind you if you do have to be ditched by text then it's best that, like Kevin, you are ditched by text when you are recording a reality TV show. Well, best for the producers of Canadian reality TV show Exposed anyway who must be rubbing their hands with glee.

They should make that a condition on this series of I'm A Celebrity: at one point one of them MUST get dumped by text in the middle of a Bushtucker trial. Wouldn't it be great if one of the producers of Exposed's pals is pals with Britney's mum and this whole thing is just a conspiracy to increase ratings? Like some bizarre Hollywood version of

those pieces that appear every Friday in papers EXCLUSIVELY revealing that one of the X Factor finalists is coping with a "secret heartache".

It's very telling that this paper referred to Kevin as "ex-dancer".

**T**here's a crucial difference between being a "former" something and an "ex".

If you're a "former" dancer you've moved on to something bigger and better. If you're an "ex" dancer, you just ain't getting the dancing work no more. And no other kind of work if truth be told.

It's going to be tough for Kevin to survive now, because he signed a prenuptial deal that means he could only get £200,000 in a divorce settlement.

That's not prenuptial, that's prehistoric. He may get more in return for surrendering access rights to

## A nice bet on Matty

**M**y fellow columnist Vanessa Feltz made a great point about this year's I'm A Celebrity Get Me Out Of Here in her column here on Thursday.

It's not a stellar line-up of big name stars, but it does have enough fragile, messed-up folk in there to make it watchable.

In fact it's pointless getting successful celebs on these shows.

They'd be too relaxed. They'd know they'd walk out of it afterwards into what they were doing before.

It's your Faith Browns, your David Gests and your Jason Donovan who are far better value because they know this is a massive chance for them to get back in the public eye.

There's nowt more desperate than a celeb who's supped from fame's spoon then had the bowl taken away.

I've met a few of the contestants this year. Mylene Klass is gorgeous, Lauren Booth is a sparkling and charming woman but Matt Willis is my tip to win it.

When I met Busted backstage at Richard and Judy once he was by far the chattiest and nicest of them.

At 4/1 he looks a good bet.

## Bond sinks to a new low

**I** WAS shocked this week to see Joe Pasquale topping a poll of the most annoying celebrity voices in the UK. Shocked that people still remember Joe Pasquale.

I was equally puzzled to see Charlotte Church in the list. But then I love a girl who swears. And I love a girl who swears in a Welsh accent. I once did a show in which Sian Lloyd swore to me in Welsh and it was just about the highlight of my career.

There was also a list of the celebs' voices the public loved. Top of the list was Antonio Banderas, presumably because of his husky Spanish tones. But I know for a fact he is putting on this accent to show off in front of ladies, and in real life he's as Brum as they come.

Daniel Craig crept in at No.8 in the Best Voices list. Interesting choice too, seeing as his voice appears to have got an octave deeper since he got the role of James Bond.

I wonder if this is a new gadget Q's made for him?

## Right time to strike US oil

**A**FTER disastrous results in the mid-term elections which commentators blame on the war in Iraq, US Defence Secretary Donald Rumsfeld has stood down.

This means that at the moment America has no defence secretary. Who's sending out the

memos and doing the filing for all things defensive then? Exactly. It'll be some temp they've got from an agency.

So there will never be a better time to invade the USA. Why don't we try it next week, Mr Blair? They've got tons of oil in that country.

And we could say we suspect they're harbouring weapons of mass destruction.

Mr Bush is now officially a "lame duck" president. His party does not have enough votes in Congress to pass any bills. Some people say this is a bad thing. How can that be?

their two children Billy Bob and Billy Jo although Britney's mates reckon she "would fight a holy war" to stop K-Fed getting custody.

That's a bit extreme. So that means as well as dark-skinned men with beards but no moustaches and fuses coming out of their shoes, airport security will be keeping their eyes peeled for trashy blondes wearing school uniforms.

He gets two years where he can't actually do anything. Think of all the days off you could take.

**EXPERTS** warn that the soaring demand for music on mobile phones could kill off CDs in just five years. Good. Can we start with Paolo Nutini's?

## Gipsy striker scores with planners

**SAVED: Planners say Freddy and his family's mobile home can stay on green belt land**

# YOUR HOME IS SAFE FREDDY..AS LONG AS YOU TARMAC ROAD

**RESULT: Freddy's had a fantastic week**

**FOOTBALL hero Freddy Eastwood was celebrating yesterday after being told he can keep his home on an illegal gipsy site.**

But he will have to sell four horses and Tarmac his drive.

Just days after his wonder free-kick beat Manchester United, the Romany traveller won his fight to stop his family being kicked off green belt land.

But the reprieve is only for five years and he and four other families have been handed a £41,000 bill for improved road access to the site.

Despite earning £100,000 a year, Southend United striker Freddy will have to sell some of his hags to meet his share of around £8,000.

He said yesterday: "It is great that the plans have been passed. "I always hoped and expected we would get permission."

And a pal added: "Freddy's week just gets better and better."

"First he helps knock his Manchester United heroes out of the Carling Cup, then he's told he can keep his home and stay living near his family."

"The only downside is it looks as if

by PAUL MALLEY

he'll have to sell a few horses. He's a big horse fan and he uses stables near his property."

Freddy, a former used car salesman, has shunned the Footballers' Wives lifestyle - even though his daughter is named after a character in the TV show. The Championship footballer lives with fellow travellers on an illegal site at Wickford, near Basildon, Essex.

He shares his two-bedroom mobile home with wife Debbie, four-year-old son Freddy Jnr and daughter Chardonnay, two.

### Pleased

Last year Basildon Council ordered all the mobile homes to be removed.

But after Freddy and the others appealed a planning inquiry was held earlier this year.

Yesterday it was revealed a Government planning inspector had quashed council enforcement orders to clear the plot.

Southend manager Steve Tilson said: "He is fed up with all the media attention, but this is great news for him and I am really pleased."

"I have a great relationship with him and this brings real peace of mind. It may have affected his game for a week or so, but not in a big way."

## Raising a stink

ANGRY locals are kicking up a stink after 1,000 tonnes of human excrement was dumped on a farm in their town.

They are fuming after council chiefs gave the go-ahead for organic waste experts to make a 30ft high pile of poo in a field near their homes in Crook, Co Durham.

Shoppers wander round the streets holding their noses. One local said: "The whole thing stinks - literally!" Waste firm bosses say it was treated with quicklime and the smell will go when it is spread on fields as manure.

## Bike boy horror

A VAN driver waved as he drove past a young boy he recognised - then killed him in a tragic accident.

An inquest was told yesterday that Samuel Burnett, six, was riding his sister's bike along a pavement when he fell off into the road and under the wheels of the van driven by Stephen Coleman in Newbury, Berks.

Mr Coleman was driving well below the 30mph speed limit and could not be blamed, the inquest heard.

Verdict: Accident.

# WE'VE GOT BORAT BY THE KAZAKHS!

## Teens claim damages for hit film 'humiliation'

by NIGEL PAULEY

**CRAZY** guy Borat is being sued by two American students for making them laughing stocks in his hit film.

The teenagers are seeking undisclosed damages for being humiliated by the spoof Kazakhstani journalist, played by Brit comic Sacha Baron Cohen, 35.

They claim they were plied with booze before being duped into signing forms, agreeing to be filmed for the box office smash.

Both 19-year-olds insist that since the movie's release they have suffered "humiliation, mental anguish, and emotional and physical distress, loss of reputation, goodwill and standing in the community".

The students, who have not been identified in legal papers filed in L.A., say they were told the movie was not going to be released in the US.

Now they want an undisclosed amount of compensation from makers 20th Century Fox and One America Productions.

### Drinking

The students say members of their college fraternity were interviewed to become part of the smash Borat: Cultural Learnings Of America For Make Benefit Glorious Nation of Kazakhstan.

They claim they signed the movie releases after a "heavy drinking" session. They allege they were taken to a motorhome where they were filmed and "encouraged to continue drinking".

In Borat's movie the reporter is seen getting drunk with three members of a fraternity while watching a Pamela Anderson and Tommy Lee sex tape.

Last week, US telly boss Dharma Arthur, 50, claimed to have been given the boot from her job after she was duped by Borat.

She said she had not worked since the character outraged viewers on her station in Mississippi.

## Vice nut is jailed

A MAN of 59 who stole from his boss as he spent £340,000 on an "infatuation" with a prostitute has been jailed for two years.

Company secretary Michael Lee raided £120,000 from his firm after using up his own savings, Bolton Crown Court heard.

Former magistrate Lee, of Edgerton, near Bolton, claimed he never had sex with the girl and denied paying her £200 an hour to clean his house wearing nothing but rubber gloves.

# PICK UP A PICK-UP PENNIES

REVERSE AUCTION  
PREMIUM RATE LINES

Lowest  
unique  
bid wins

GET your bids in now for our monster motor – and it could cost you only a few pennies in our reverse auction.

The Mitsubishi L200 Double Cab 4LIFE is worth more than £18,000\*. It has a roomy double cab and includes air conditioning, electric windows, ABS, CD player with MP3 compatibility and we've even thrown in sporty 16in alloy wheels.

You could be driving away in it for pennies in your Daily Star's reverse auction. It's not the highest bidder who wins, it's the person who makes the LOWEST UNIQUE bid.

Our super truck must be won by 7pm on

Monday so don't hang about – get bidding right now.

## HOW TO ENTER

1 PICK a bid amount which you think might be the lowest unique bid. You can bid anything from 1p to £1,000. YOUR bid must be sent to us in pence format. For example, £5.25 would be 525 and £10.60 would be 1060.

2 TO TEXT: Send a text which starts with the word BID. Then leave a space and enter your bid in pence. If you bid £1.20, your message would look like this: BID 120. Send to 88100.

3 TO CALL: Dial 0906 751 5780 and follow the instructions. All you pay for is the phone call, not the amount you bid.

4 YOU will get a text message straight back telling you whether your bid has been successful (that means you will know right away whether your bid is either the lowest and/or one of its kind). We will then also send you a FREE text message if your bid status changes.

5 WINNER will be the person with the lowest unique bid out of all the bids registered when the auction ends at 7pm on November 13, 2006.

## TERMS AND CONDITIONS

TEXTS cost £1.50 each plus your normal standard message rate. Calls cost 75p/min from a BT landline. Calls last approximately 2/3 and 30secs. Minimum bid is 1p, maximum bid is £1000. You must be 18 or over to enter. Product may vary from that pictured. The lowest unique bid at 7pm on November 13, 2006 must buy the Mitsubishi L200 4LIFE at that bid price. The lowest unique bid will be a binding legal contract for the sale of the Mitsubishi L200 4LIFE by Northern & Shell to the bidder. Northern & Shell's record of each bid is the official record of bids. Northern & Shell and suppliers will not be held responsible for any breakdowns in communication systems or networks that could result in a bid not being registered or a text message not received. The successful bidder will be contacted after the close time and must agree to publicity. For all SMS services, you may receive other related promotional offers/services. To stop receiving send STOP to 88100. The winner will be liable for insurance and must provide a valid insurance certificate for registration purposes before delivery. The competition is open to UK residents aged 18 and over. Delivery made to UK mainland residence only. The editor's decision is final. No cash alternative. Employees of Express Newspapers plc, its agents, wholesaler and retailer and/or their relations may not participate. Usual Daily Star terms and conditions apply. **EMINEM** retired? Pah. Slim Shady, 34, right, has stepped up to the mic again and he will release his new single *You Don't Know* on December 11. The track also

features **50 Cent**, 31, **Lloyd Banks**, 24, and new rapper **Cashis**. And here's a sinister *Silence Of The Lambs*-inspired still from the cracking video.

# Hot

## BLOG

**PLAN B** and **Roxy McKee** are spoken of in the week-end blog, along with my report of the *Arena Magazine* 20th Birthday bash. [www.dailystar.co.uk/](http://www.dailystar.co.uk/) blog is a place you can read me being funny with no constraints. It's fragrant.

## ME

IT'S been at least a day without a *Girls Aloud* shot in the paper, so I thought I'd remedy it. **Sarah, Kimberley, Nicola, Nadine** and **Cheryl** look very serious but at the same time sexual in my shot. They're celebrating this week as *Album The Sound Of Girls Aloud* is No 1. That's why they look so happy.

## CAUGHT LIVE

### THE ENEMY ULU, London

TWO tracks in and three scrawny teenagers from Coventry have whipped up a moshpit of merciless ferocity. But bassist **Andy**, drummer **Liam** and front-man **Tom** play with such intensity, it comes as little surprise. While hardly cut from the most original cloth (a large dose of *Oasis* sneer, a big pinch of *Monkeys* wit and a slice of *Hard-Fi*'s suburban dissatisfaction) there's something disarmingly powerful about *The Enemy*. Debut single *40 Days And 40 Nights* sold out its limited 1,000-copy run in minutes on Monday. And in 40 minutes they've laid immaculate waste to this venue. 2007 will find you hearing a great deal more about these lads.

CARL STROUD

## SHARP TEETH

THE *Arctic Monkeys* were turned away from one of London's hottest nightclubs after arriving too late. **Chris Martin**, 29, **Chris Moyles**, 32, **Edith Bowman**, 31, and various members of London's indie aristocracy crammed into the Proud Galleries to witness surf punk trio *The Milk Teeth*. And why was there such a stellar audience for an unsigned band? Well, they're fronted by the *Coldplay* singer's little brother **Simon**. Earlier at the uber hip *Another Music = Another Kitchen* club night at Proud, TV biologist **Dr Robert Winston**, 66, took to the stage to indulge his talents for playing the sax.

## Murray glint

LAYDEEZ, laydeez, laydeez - have I got a treat for you? Well, if you like scrawny Radio 1 jocks in the buff, then yes, I most certainly have. Feast your peepers on the Herculean frame of **Colin Murray**. Frighteningly, you can see more, so much more, when the 29-year-old's new advert hits your TV screens from tonight. A beautiful sight indeed.

# Why I don't like Liam

**SOLO GIG:** Noel wows fans at the sell-out Wadsworth Theatre concert in LA earlier this week

**NOEL Gallagher and brother Liam have barely spoken all year.** The older *Oasis* man blames their fractured relationship on young Liam's "inferiority complex". And he says the situation is so bad he's thinking of buying him a straitjacket for Christmas. Noel said: "Liam doesn't like me. He confuses love with hate."

INSULTS: Liam

'I love you.' No, Liam, I think you'll find you f\*\*\*ing hate me." Now a mellow 39-year-old, Noel isn't scared to open up about his problems with Liam, 34.

### Complex

He said: "The reason he doesn't like me is that I'm indifferent to him, plus he insults me and I don't like being around people who insult me. "When he has a drink, he's got an enemy complex - and a serious inferiority complex."

"There's nothing I like more than reading people slagging Liam off. "But he's my brother and although I don't like him, I do love him to bits."

Speaking to *The Guardian*, Noel said: "Oasis is dependant on three equal

parts. That's him, me and the songs. I'll get him a jacket for Christmas... a straitjacket." Noel played a surprise solo gig in LA on Thursday. He told fans: "If you like Oasis B-sides, you'll have a good night. If you don't then you won't. "We did one of these in London last Thursday, and it was f\*\*\*ing chaos. You're very well-behaved, I must say." That's because we're Brits and better than them.

**MOTT** **GEORGE** Michael's more famous of late for passing out in his motor than belting out tunes. But the man can sing, so buy his *Best Of* album 25. It features *Careless Whisper*, *Older* and the daft *Shoot The Dog*. Get it and don't be ashamed.

## SHOT

## MATT'S KO BLOW

**BLOC Party** drummer **Matt Tong** was taken to hospital with a collapsed lung after a gig in the US. The energetic sticksman was admitted after complaining of feeling unwell during the band's latest tour show in Atlanta on Thursday night. Doctors say Matt, 27, is not in danger but will stay in hospital for at least three days' observation. The band cancelled three gigs scheduled for next week.

Zap! Maria's not hungry any more

# I'm dieting by remote control

by JOHN MAHONEY

**A TWENTY-stone woman aims to shed half her bulk – with Britain's first remote controlled STOMACH.**

Doctors will be able to use a telly-style zapper to decide how much Maria Lodovia Corvi is allowed to scoff.

The remote control will operate a silicone gastric band which surgeons are fitting at the top of 29-year-old mum Maria's tummy.

It contains a tiny highly sensitive antenna which enables the medics to adjust it electronically and determine how hungry she feels.

## Nervous

After the delicate four-hour operation her doctors will then dictate how much she can eat by tightening or loosening the band.

Maria is paying for the surgery at Manchester's private Alexandra Hospital with £10,000 cash she saved up for home improvements.

"It was an easy choice when I heard about this," said the utilities firm admin worker from Matlock, Derbs.

"I am feeling a bit nervous, but excited at the same time. I have tried all the diets going and been to health farms but

nothing works. What I do know is that I will become so much more confident and happier with myself if this works."

Maria is the first patient in Britain to have the remote control band. Only 50 other people in the world have been given them as part of an international trial.

A surgeon said: "It allows highly accurate and painless adjustments, while removing the risk of infection or leaks."

## TUBBY TURN-OFF

JUNK food adverts could be banned from daytime TV in a bid to stop firms targeting kids.

Tough new restrictions are aimed at curbing soaring levels of childhood obesity in Britain and preventing youngsters turning into couch potatoes.

Regulator Ofcom said "the case had been made" to stop showing ads of all foods high in fat, salt and sugar during programmes watched by pre-school and primary pupils.

The move would be a massive blow to global brands such as McDonald's, KFC, Pepsi, Coca-Cola, Walkers and Kellogg's. A recent British Heart Foundation poll found 68% of parents back a ban.

## EXCLUSIVE: EXPERTS SAY LYRICS SHOW BB STAR HAS LOST THE PLOT

by CAMERON MILLAR  
**WILD rocker Pete Bennett's latest song shows a man on the edge of madness.**

That's the opinion of psychologists, who say the words to Nuff Buzzin' reveal that the Big Brother winner has "lost the plot".

Clinical psychologist Ron Bracey said last night: "He has always talked openly about his Tourette's Syndrome - and he is doing it here."

"He is always open and honest, but he is on the edge."

Another top psychologist said: "These are clearly the ramblings of a disturbed mind. He's clearly losing the plot."

"He has admitted taking a lot of drugs in his time."

"Now he is calling for everyone to get 'high'."

### Tutu

In the song, the former Daddy Fantastic frontman, 24, calls on "maniacs" to join him in getting "high".

In the outrageous video to accompany it, Pete cavorts in a ballerina's tutu and leads a parade of drag queens and other oddball revellers.

Nuff Buzzin' has appeared on cult websites YouTube.com and popjustice.com.

A spokesman for Pete said it was co-written with Guy Chambers, 43, the former song-writing partner of Robbie Williams, 32.

Pete already seemed to have lost his grip on reality earlier this week, when he boasted to the Daily Star that he'd wed lover Gemma Costain, 22, up a tree - and have 23 children.

news@dailystar.co.uk

# Pete is on the edge of lunacy

■ **NUFF SAID:** Pete in the video for Nuff Buzzin' and, below, with girls in burlesque outfits while filming the promo

### MOTT'S VERDICT

HOT Editor Joe Mott gives his view on Pete's song.

I WAS sent 'Nuff Buzzin' by e-mail. I deleted it. It's horrible. Bad ska mixed with Prodigy influences, Christmas novelty tune and a terrible attempt at Johnny Rotten-style vocal delivery.

Other than the fact that Pete will be thoroughly depressed when the song bombs, there's nothing positive to say about the tune.

This is the man you try to avoid at festivals. A squatter in celebrity-land, trying to create a wild image to hide a lack of any real purpose on this earth.

### NUFF BUZZIN' by PETE BENNETT

(Sample of the lyrics)

All the maniacs stand with me  
 We're all part of life's rich  
 tapestry  
 Live and let live, but let it shine  
 Nuff buzzin' and you're high  
 All the freaks and the trannies  
 stay  
 Mentalists and the horny gays  
 Special needs and the teenage  
 mums

Crazy punks with their  
 mohicans  
 Shout it out what you've got  
 to hide  
 Wear your weirdest scars  
 with pride  
 Wanna roll while you've still  
 got time  
 Nuff buzzin' and you're high  
 Nuff buzzin' and you're high  
 Nuff buzzin' and you're high
